

← I have guessed the nav so feel free to change it.

← This area will be on a loop and fade between different images. Maybe 3 or 4 slides before back to the owl.

← This could be added at a later date when we have a definitive list for everything

← Venues - could be an API
google map overlay

← Program - I see this being an overview of each day prior to the event and on competition day it changing to an overview of pub timings or anything we think will be beneficial to the user.

← Not sure how many links/
sponsors we will have but
worth keeping in for the
time being.
